at home and in Europe, but in vain; his case was prenounced hopeless by thousands, and it was by accident that he succeeded in curing himself. Since he has been practicing med-icine, his success in such cases has been unrivalled. He has been aware of the incredulity of the public, and consequently said nothing through the press of his own case, until the character of the medicine was fully established by its success, as shown by the certificates which have been I subjoin the certificate of Prof. M. I hereby certify that I have been acquainted with Dr. J. N. Dr. Branson:—Some time has empsed since I gave a cer-tificate that my wife had been greatly benefited by your Alternative Compound. I had tried of several whem I thought to be the best physicians in the place and a great many different medicines, with momentary relief. Being persuaded to try your afterative compound, I did so—and I am happy to say that it has entirely cured her; and I would conscientionsly recommend it to all persons suffering from diseases of the liver and dyspepsia.
